

I had recently moved to the area and was very nervous about starting South Molton Community College as I didn't know anybody. I had only been for one induction day which was exciting but very nerve wracking. I had so many questions but I didn't want to ask them as I thought they sounded silly but they weren't. Some of the questions I had:

How do I find my way around the school?

Which bell is which?

What do I do about catching the bus?

But if you just ask everyone will help you out. I really enjoy school now and you will enjoy it to.
