

Callum's 1000 mile challenge

Why I'm doing this

I am doing my challenge because of my mum. As she has fought the tough battle of cancer twice. So me and my dad thought we enjoy cycling and we wanted to make ourselves a challenge so we thought lets cycle 1000 mile for cancer research uk to stop people having to go through cancer like me.

My favourite place
This is a picture of me
at a place in wales
called bike park wales
This is on a jump trail
called the a470 its
named after the road
leading into bike park
wales

This is me meeting
a famous
downhill
nicknamed peaty

Some things I've done

I have done many races and events and been to new places
