

April 2020

Dear Year 6,

I thought it would be good to make contact with you and introduce myself. As your new Principal from September it is important to me that you feel ready to join us. One of the things on your mind must be the next steps in school. When will you be allowed back to your current school? What is happening about your move to SMCC? I can hopefully help you out with the second one of these.

You will, by now, all have had your place with us confirmed and we are working on getting everything ready for you. If there is a chance of a transition visit before September then that would be good but if this isn't possible then we will use the first few days in September to do the settling in. We are all looking forward to meeting you and making you part of SMCC.

We will be giving you lots of useful information, tips and guidance over the coming weeks to make the transition process as smooth as possible. This information is important and if you have any questions about any of this process please ask. All that remains is for me to wish you well, remind you to carry on with your home learning and above all keep yourself safe and happy.

Best wishes
