

Dear Parent/Carer,

We have recently been informed by our school supplier Samuel Daw & Co, that due to the current pandemic, the current entirely bespoke kit was becoming increasingly difficult to source from overseas and rapidly rising production prices meant this was no longer going to be a viable option.

As a result, we have had to look at an alternative PE kit that is both durable, long lasting and affordable.

We're happy to announce that the entire SMCC PE kit is moving over onto a new range of garments from Falcon Sportswear in the UK. All of the

'At Samuel Daw & Co we are proud of the close ties we have with SMCC, and we have worked together to ensure we have found the best option for everyone concerned, especially the parents and pupils'.

The new PE kit will have the school badge and will now be embroidery with first name initial and surname. The new PE Kit will be rolled out as compulsory to new year 7's as of September and will filter through the rest of the school as students need to replace new items.

PE Kit

Organisation is a key skill which we aim to develop with the students and additionally to develop their responsibility for looking after themselves from the elements.

In PE it is extremely important the students have PE kit that will enable themselves to enjoy their PE lessons in any weather. With this in mind could you please check that your son/daughter has the following PE kit.

Can we ask that you label the PE kit, so if it gets left behind we can return it to the owner.

Black & Purple games top (long sleeved)	
Black rain jacket	
Black shorts

Black base layers and leggings	
Black track suit bottoms

*Students are required to have studded Football/Rugby boots. Studded boots are important so we can ensure we can use the All-weather pitch and field in wet weather. Students will continue to use studded boots throughout the programme of study and are required for different activities throughout the year. It is recommended that students leave their studded boots in their lockers throughout the year.

For example: in the summer if it has rained students will be able to do a 100m lesson, if they have studded boots. If they wear astroturf trainers or normal trainers these are unsafe in this situation.

Students will receive the following grade in reports for their PE kit
